

Dear K-State Baseball Alumni:

As we begin our third year of the Diamondcats Club, we are extremely excited for the continued growth and interest of this club. Last year the Diamondcat membership grew to 68 members, as compared to 42 members our first year. Our goal is to push the total number of members to over 100 for 2008.

We continue to receive great support from this University and Athletic Department. We installed nearly 500 new chairback seats at Tointon Stadium last summer. The appearance of our stadium was greatly enhanced from the addition. For all you former pitchers, we have also constructed a new bullpen "bench" for our relief pitchers to view the games, and installed new turf in our bullpen home plate area.

However, we have enjoyed the opportunity to further enhance the overall program with the funds generated from the "Diamondcats." The Diamondcats generously donated over \$12,000 last year. Here is how we utilized the funds: **New office furniture for our film room; new DVD player with cowboy remote— expensive equipment for our players to review film in a slo-motion frame by frame motion; additional supplements for our team— allowing us to keep our players in supplements year round; umpire expenses for fall world series; and a new laptop for Coach Burroughs.** Our Athletic Department allocated budget would not have allowed for these purchases.

The 2008 Wildcats are excited for the upcoming spring. With the entire pitching staff returning along with seven position starters, we plan to take the next step in the Big 12 Conference. We hope you will renew your membership or join the Diamondcats for the first time.

Thanks for your support and Go Cats!!
